WHAT A CATCH!

About us

Nova Seafood, formed in 2023, is a partnership of industry professionals who have contributed their expertise to some of Singapore's most prominent seafood suppliers and processors over the years.

We have embarked on a mission to make seafood sourcing easier, more direct, and personable for our esteemed partners.

We pride ourselves on fostering transparent and long-lasting relationships with our partners and are committed to working closely with you, understanding your specific requirements, and tailoring our services to suit your needs.

Whether you are seeking regular seafood supplies or have special requests, our dedicated team will go above and beyond to deliver a seamless and personalised experience
